

Frequently Asked Questions

What is a deductible?

The deductible is the amount you are required to pay to the doctor or hospital before the insurance company will pay toward your eligible expenses. On the Student Secure plan, it is paid once for every new illness or injury — not per visit. If you became ill or injured and went to the doctor you would pay the deductible, but if you went for a follow-up visit on that same condition you would not need to pay the deductible again since you've already paid it for that condition.

Am I eligible to apply for the Student Secure?

If you are a student in the USA on an F1 or J1 visa, you are automatically eligible for the Student Secure plan.

For those on other visa types, or those studying outside of the US, you will need to be a full-time student or scholar at a college or university, or within 31 days of being a full-time student.

Will I get an ID card?

Yes, you will receive an electronic PDF version of your insurance ID card immediately by email, and you can also choose to receive a physical ID card in the mail by selecting the "Email and Regular Mail" option on the application.

Can I extend or renew my insurance plan?

Yes. If you purchase your policy for less than 364 days, you can extend the plan up until you have a full 364 days of coverage. Once you have a full 364 days of coverage, you can then renew your plan for another year. If you continue to meet the eligibility requirements and don't have any breaks in coverage, you can extend and renew your policy for up to a total of 4 years. Please note that there is an additional \$5 fee per extension or renewal. All extensions and renewals can be done quickly and easily through your Student Zone account.

Which doctors or hospitals can I go to?

You are free to visit any doctor or hospital (known as providers) that you wish to seek treatment from. However we do suggest you visit these providers as they are typically better placed to treat you:
Student Health Center — Most schools offer a student health center which should be your first option in seeking treatment
First Health Provider Network — The First Health Network will accept the Student Secure Insurance plan. You can search for providers at <https://www.internationalstudentinsurance.com/network>

Insurance Explained

Our Insurance Explained Center will help you understand more about student insurance, with helpful resources such as our "US Healthcare System Overview", "Mental Health Awareness" and "Sexual Assault Awareness" videos."
